# The POLLED CONCEPT

The Polled Shorthorn bull -- an instrumental force in modernizing America's beef! A modern influence -- hornless, "naturally erasing" the messy and costly set-backs that come from dehorning. A profitable influence -- modernized and hornless, but carrying that old faithful performance-ability that has been "Shorthorn Influence" property for generations and generations. How better to lessen your management problems and step-up your profits than by going modern . . . . . going **POLLED SHORTHORN** . . . and profiting by your decision!

LYNNWOOD FAIRDEAL x - This son of Lynnwood Bolster is particularly straight lined and good headed. Lynnwood Bolster is the herd sire for W. P. Hix and Son at Winchester, Tennessee; he is out of one of the greatest bull producing cows ever at Lynnwood. Lynnwood Bolster's sire was exported to New Zealand at \$4,000.00. The dam of Lynnwood Fairdeal is sired by an Indiana State Fair Grand Champion bull and is out of a polled champion daughter of the highest priced Perth Champion Polled Shorthorn bull, Pittodrie Upright. We have ten cows settled to Lynnwood Fairdeal and want to retain a non negotiable interest in the bull and retain at least part of the frozen semen that we have.

TIMBERLEE'S TC NAPOLEON 10TH x - A good headed, extremely thick calf, selling a little young - but he should have a good future ahead of him. Second prize junior bull calf at the 1963 Eastern National in mixed competition. His dam is one of our best young females, and his grandam, Willow L Orange Blossom, is usually considered by visitors our best cows. Polled Shorthorns have been on the march -- and the Napoleons and the Consorts are contributing their share. Herd TB Accredited and Bangs Certified.

GLATWYN MYRTLE x - A real broody daughter of the Champion that I did not intend to sell but now we have a full sister to her; so, we are putting her in the Congress. Out of what I think is one of the very best cows we have that is an own daughter of Leveldale Custodian that did so much for Susanna Farms and the breed. Please check her pedigree as every animal is a great breeding animal. She can produce a lot of good ones. Calihood vaccinated and bred October 21, 1963 to Glatwyn Sequel, by Fascination and out of the original Simplicity cow. We have used this bull liberally on our heifers.

This is a good Princess Royal family and we feel this heifer will have many friends. Herd TB Accredited and Bangs Certified.

## WHY THE "SHORTHORN INFLUENCE"?

In just three years -- the fiscal years 1961 thru 1963 -- the "at-auction" average of all Shorthorn and Polled Shorthorn beef cattle sold in America has increased in value 20 percent.

At the recent Pacific International Livestock Show in Portland, five out of 10 inter-breed carcasses hanging in the exposition's cooler were products of the "Shorthorn Influence". This included the exposition's GRAND CHAMPION CARCASS.

At the 1963 International Livestock Exposition in Chicago, the exposition's Junior Show GRAND CHAMPION INTER-BREED STEER was a trim, modern Shorthorn, of course!

For the past four consecutive years Shorthorns have topped whitefaces and blacks in Kentucky's Performance Testing program.

An Iowa cattle feeder writes of his experience -- that Shorthorn/Angus cross steers gained 2.8 pounds per day since he got them in October, including running them in stock fields for a six-week period.

An Oregon operator used Shorthorn bulls on Hereford, then Shorthorn/Hereford cows, boosting his calf weaning weights nearly 100 pounds per head in a 10-year period.

# Terms & Conditions

## (STANDARD GUARANTEE)

1. **TERMS:** The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.

2. **LIABILITY:** Although every possible precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

3. **A -** Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

**B -** All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

**C -** With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

**D -** When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

**E -** All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

**F -** Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.

**G -** Shipment will be made as soon as released by the National Polled Shorthorn Congress, but at purchaser's risk of loss or injury after animal is bid off.

**H -** All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

4. **SHIPPING ARRANGEMENTS:** It is the obligation of the consignors and this association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals are cared for properly.

**BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS AND CORRECT TRANSFER INFORMATION WITH THE SALES CLERK.**

5. **INSURANCE:** Coverage may be secured at the time of sale.
